

Khabbar Follies

In this section, Khabbar looks into the Konkani community and anything and everything that is Konkani from a Konkani point of view. The names will never be published but geographic location will be identified in general terms.

There is no doubt in my mind that *Khabbar* is a part & parcel of life of Konkanis in North America. In fact, *Khabbar* has developed a special relation with most of the Konkani families and here are some examples of those close encounters of a different kind.....

Khabbar Mailing List is probably one of the most important document every Konkani in North America should have. The Advisory Committee works very hard to keep this list as current as possible. All the *Khabbar* subscribers get this list annually and people really love them and use them. But, accessing that list is sometimes an issue!

The case in point is I got a call from this Konkani family in TX asking me the telephone number for one of our common friends. I told him that he can refer to the *Khabbar* List to get that information. He said, "I know that. This Mailing List is so important that I kept it at a safe place so that I will never lose it. Only problem is I don't know where exactly I hid it!".
